

ROCKY MOUNTAIN POWER
ELECTRIC SERVICE SCHEDULE NO. 25

STATE OF UTAH

Mobile Home and House Trailer Park Service - Existing Customers Only

AVAILABILITY: At any point on the Company's interconnected system where there are facilities of adequate capacity at such phase and voltage as Company may have available for service to mobile home and house trailer parks taking service under this Schedule as of its effective date. No new customers or expansion of existing mobile home and house trailer parks will be served under this Schedule.

APPLICATION: Alternating current service normally will be supplied to each mobile home or house trailer directly by the Company at approximately 120 or 240 volts. Service to each tenant will be separately metered and billed under the Company's appropriate residential rate schedule in the name of the individual tenant whenever possible and in the name of the mobile home park or house trailer park owner or proprietor where circumstances make it impractical to bill the tenants directly. Alternately the Company will supply alternating electric current service at Company's available voltage through a single point of delivery under the rates set forth in the monthly bill section below.

Should the mobile home or house trailer park owner or proprietor receive single point of delivery service under this rate schedule, the owner or proprietor will submeter each tenant for electric service rendered under the applicable residential rate schedule of the Company. Copies of the Company's residential rate schedules will be furnished to each mobile home or house trailer park owner or proprietor who elects to take a single point of delivery service. The owner or proprietor shall post in several conspicuous places around the mobile home or house trailer park copies of the Company's residential rate schedules with a statement that the charge for electric service for each mobile home or house trailer space will be billed in accordance with the appropriate residential service rate. The owner or proprietor shall not meter or sell electric energy to any tenant under any other rate or system of charges. Evidence of any sale or attempt to sell

electric service by the owner or proprietor on any other rate or system of charges except as provided herein shall give Company the right to discontinue service upon five (5) days written notice. Miscellaneous loads such as general lighting of the area, laundry facilities, washroom, recreational facilities, etc., available only to mobile home or house trailer park tenants will be considered residential usage and served under this Schedule. Loads for commercial purposes such as stores, restaurants, service stations, and other distinct and separate commercial establishments will be separately metered and served under applicable schedules.

Should the mobile home or house trailer park owner or proprietor receive single point of delivery service under this Rate Schedule, the owner or proprietor shall furnish all facilities from the property line and be responsible for the care and maintenance of them, except the Company will install and own all meters and sub-meters and will be responsible for their care and maintenance and periodic testing.

Voltage Discount: Where the mobile home or house trailer park takes service hereunder from Company's available lines at 2,300 volts or greater and provides and maintains all transformers and other necessary equipment, the Voltage Discount based on measured power will be:

\$ 0.48 per kW

POWER FACTOR: This rate is based on the Customer maintaining at all times a Power Factor of 90% lagging, or higher, as determined by measurement. If the Power Factor is found to be less than 90% lagging, the Power as recorded by the Company's meter will be increased by 3/4 of 1% for every 1% that the Power Factor is less than 90%.

POWER: The kW as shown by or computed from the readings of Company's Power meter, for the 15-minute period of Customer's greatest use during the month, determined to the nearest kW.

CONTRACT PERIOD: One year or longer.

ELECTRIC SERVICE REGULATIONS: Service under this Schedule will be in accordance with the terms of the Electric Service Agreement between the Customer and the Company. The Electric Service Regulations of the Company on file with and approved by the Public Service Commission of the State of Utah, including future applicable amendments, will be considered as forming a part of and incorporated in said Agreement.
